EXPERIENCE

Operations Manager (Systems)

Full time, Jun 2021 - Jul 2022

Atomi

Sydney, NSW

Created, maintained and improved the efficiency of all systems used in the content team.

Key accomplishments:

- Engineered a highly customised, automated, scalable workflow management system using Jira software plus extensive Confluence training guides to transition an 80+ person team into using it.

- Integrated content and sales systems (Jira and HubSpot) to streamline communication between teams, allowing for quick and efficient responses to customer requests.
- Created a GoogleSheets-based system to provide quantitative reports on employee performance, resulting in a >300% reduction in time spent by managers on manual calculations per month.
- Routinely analysed the latest developments in ed-tech and collaborated with internal and external stakeholders to adapt content creation and marketing strategy.

Science Team Lead

Full time, Jan 2020 - Jul 2022

Atomi

Sydney, NSW

Managed and provided ongoing professional development to a multifaceted team of 30+ designers and academics across multiple subject teams, including Biology, Chemistry, Physics and Psychology.

Key accomplishments:

- Planned and managed Agile sprints in Jira whilst strategising resource allocation to leverage the team's strengths, eliminate bottlenecks and hit ambitious company goals.
- Ran monthly team meetings, social events and 1:1s to communicate feedback, set and maintain expectations, foster company culture and boost team morale.
- Delivered 50+ syllabus-aligned science courses to Y7-12 students across Australia and the UK.
- Interviewed, onboarded and trained 15+ new staff members resulting in 95% employee retention.
- Awarded MVP of the Content Team 2020.

Senior Content Creator

Casual, Jun 2018 - Dec 2019

Atomi

Sydney, NSW

Created and reviewed content across Biology, Chemistry, Physics, Psychology, PDHPE and Maths.

Key accomplishments:

- Reviewed, edited and uploaded written, visual and audio content at multiple stages of production to uphold strict quality standards.
- Facilitated regular in-person feedback sessions to discuss strategies for improvement.

Biology Content Creator

Casual, Jan 2017 - May 2018

Atomi

Sydney, NSW

Created educational science content for Y11-12 Biology students.

Key accomplishments:

- Planned, scripted, wireframed, designed and produced educational videos and quizzes using a combination of Keynote, Camtasia and GoogleSheets.
- Consulted with the marketing team to create content for the company's blog and social media.
- Awarded Best Rookie Season 2017.
